Additional Information

Mandatory Equipment

You will need a compatible Inmarsat handset to use this service within the Thuraya Satellite Network coverage area. You may bring your own or purchase an Inmarsat satellite handset from TR Telecom.

Monthly Included Value

The Monthly Included Value can be used to make standard calls and send standard SMS only. Data Services are not part of the Monthly Included Value.

Usage Management

Please contact TR Telecom Customer Service on 1300 550 014 or via email satellite@trtelecom.com.au to request a .csv file containing call and data usage.

TR Telecom does not limit the amount of data the customer can access. The billing of data use via satellite service networks is based on the time connected to the satellite service network, not the quantity of data transferred. Assistance with estimating the connection time required to access data service can be accessed at www.trtelecom.com.au/estimating-data-usage or contact TR Telecom Customer Service.

Plan Changes

Plan changes are not allowed during the contract term. Plan changes are allowed at the end of the contract term at no charge.

Rate Changes

TR Telecom reserves the right to periodically review Access Fees and Call Rates in order to make adjustments deemed necessary due to market forces.

Billing

The TR Telecom Billing cycle is generated on a monthly basis calculated on the 25th of each month. Direct Debits are processed on the 15th of each month. The Billing and Direct Debit processing will be run the next business day should the run date be a Saturday, Sunday, or Public Holiday. Monthly Access Fees are charged in advance. All other charges are accomplished in arrears.

Warning Advice

Please be aware there are countries that prohibit the use of satellite communication equipment. International Roaming and placing calls to international numbers can be expensive. Should you have concerns regarding International Roaming and call costs please contact TR Telecom Customer Service.
