This Critical Information Summary has been prepared by TR Telecom in accordance with the requirements of Chapter 4 of C628:2012 Telecommunications Consumer Protection Code.

Activating and Recharging Your Account

To start a prepaid Inmarsat Service through TR Telecom, simply supply a valid credit card and we will issue you with an Inmarsat service number and SIM card, activated with your selected units. Replenishing your account is easy also, just contact TR Telecom and purchase your desired recharge credit and we'll instantly apply the new credits to your account. Both activation and recharge credits are available in the same quantities at the same costs.

TR Telecom can also offer these Inmarsat prepaid credits as a voucher which allows the user the ability to manually add these credits to their number anywhere in the world via the handset. These vouchers have a 12 month shelf life and the units and duration are applied from the date the user applies these to their handset.

Terms and Conditions

1. All prepaid connections are activated using the customer's credit card as a method of payment.
2. All SIM cards are enabled for Global use.
3. All unused call credits are forfeited when the access period expires. Extensions to the access period may be purchased to prevent any loss of call credits.
4. The SIM and your phone number don't expire if not used for extended periods, only your credits expire once purchased and applied to the SIM.
5. PSTN, Mobile, and IsatPhone calls are charged at 100% of the quoted rate.
6. All prices include GST.
7. Airtime is charged in 15 second increments.
8. Prices are subject to change.
9. Assisted recharge only available between 8:30am and 5pm, Monday to Friday AEST.
