This Critical Information Summary has been prepared by TR Telecom in accordance with the requirements of Chapter 4 of C628:2012 Telecommunications Consumer Protection Code.

## Activating and Recharging Your Account

To start a pre-paid Iridium Service through TR Telecom, simply supply a valid credit card and we will issue you with an Iridium service number and SIM card, activated with your selected minutes. Replenishing your account is easy also, just contact TR Telecom and purchase your desired recharge credit and we'll instantly apply the new credits to your account. Both activation and recharge credits are available in the same quantities at the same costs.

Need a longer access period for your minutes or extra minutes within your existing access period? TR Telecom offers additional access months and extra minutes to help you keep any wastage at a minimum.

## Other Information

1. All pre-paid connections are activated using the customer's credit card as a method of payment.
2. Any combination of pre-paid minutes and months may be loaded to a SIM card, to a maximum of 24 month access period.
3. All SIM cards are enabled for Global use.
4. All call unused credits are forfeited when the access period expires. Extensions to the access period may be purchased to prevent any loss of call credits.
5. A grace period of 90 days applies to each service once the access period expires. This keeps the account active and recharges may be made during this period. After the 90 day grace period the Iridium service will be deactivated.
6. Prices are subject to change.
7. Recharge only available between 8:30am & 5pm, Monday to Friday AEST.
8. Iridium Service is available through TR Pty Ltd, an Authorised Service Partner of Iridium Satellite LLC.
9. Iridium is a registered trademark of Iridium Satellite LLC.
