

Critical Information Summary - Safety Sat - \$45 Per Month

Information About the Service

TR Telecom provides the Safety Sat satellite phone plan using the Iridium low earth orbit satellite network together with Iridium manufactured customer equipment. Customers can use the service to make and receive domestic and international voice calls, to send and receive message including text messages (SMS) and emails, and to access data services including browsing the internet.

Minimum Term	12 months
Included Value	\$5.00 per month for calls and texts

Information About Pricing

Minimum monthly charge	\$45 per month
Maximum charge for early termination/Total minimum contract cost	\$540 plus any accrued and unpaid usage charges. Early termination fee is the monthly access fee for the remainder of the contract period plus accrued and unpaid usage charges up to termination.
Two minute standard national satellite call including flag fall	\$3.80 before any discounts
Cost of standard SMS	\$0.50 before any discounts
Cost of 1 megabyte (1 Mb) of data	\$2.65 @ 27 Kbps / \$21.62 @ 2.4 Kbps*
Number of standard national satellite calls	If you restricted your use solely to standard national satellite calls each of two minutes in duration, you could make 1 call.

*2.4 Kbps incurs a higher cost due to requiring a lengthier connection with the satellite. Please check product data speed connections for more information.
